

Department of the Navy, DoD

§ 750.12

(2) When, however, the claim has not been forwarded and is still under the cognizance of the Naval Legal Service Command claims office, that command will ordinarily be required to prepare and forward the litigation report to the requesting organization. In this instance, the litigation report should be sent directly to the cognizant Department of Justice official or U.S. Attorney with a copy of the report and all enclosures to the Judge Advocate General.

§ 750.9 Claims: Payments.

Claims approved for payment shall be expeditiously forwarded to the disbursing office or the General Accounting Office depending on the claims act involved and the amount of the requested payment. Generally, payment of a Federal tort claim above \$2,500.00 requires submission of the payment voucher to the General Accounting Office. All other field authorized payment vouchers are submitted directly to the servicing disbursing office for payment.

§ 750.10 Claims: Settlement and release.

(a) *Fully and partially approved claims.* When a claim is approved for payment in the amount claimed, no settlement agreement is necessary. When a federal tort, military, or non-scope claim is approved for payment in a lesser amount than that claimed, the claimant must indicate in writing a willingness to accept the offered amount in full settlement and final satisfaction of the claim. In the latter instance, no payment will be made until a signed settlement agreement has been received.

(b) *Release.* (1) Acceptance by the claimant of an award or settlement made by the Secretary of the Navy or designees, or the Attorney General or designees, is final upon acceptance by the claimant. Acceptance is a complete release by claimant of any claim against the United States by reason of the same subject matter. Claimant's acceptance of an advance payment does not have the same effect.

(2) The claimant's acceptance of an award or settlement made under the provisions governing the administrative settlement of Federal tort claims

or the civil action provisions of 28 U.S.C. 1346(b) also constitutes a complete release of any claim against any employee of the Government whose act or omission gave rise to the claim.

§ 750.11 Claims: Denial.

A final denial of any claim within this chapter shall be in writing and sent to the claimant, his attorney, or legal representative by certified or registered mail with return receipt requested. The denial notification shall include a statement of the reason or reasons for the denial. The notification shall include a statement that the claimant may:

(a) If the claim is cognizable under the Federal Tort Claims Act, file suit in the appropriate United States District Court within 6 months of the date of the denial notification.

(b) If the claim is cognizable under the Military Claims Act, appeal in writing to the Secretary of the Navy within 30 days of the receipt of the denial notification. The notice of denial shall inform the claimant or his representative that suit is not possible under the Act.

§ 750.12 Claims: Action when suit filed.

(a) *Action required of any Navy official receiving notice of suit.* The commencement, under the civil action provisions of the Federal Tort Claims Act (28 U.S.C. 1346(b)), of any action against the United States and involving the Navy, that comes to the attention of any official in connection with his official duties, shall be reported immediately to the commanding officer of the servicing Naval Legal Service Command activity who shall take any necessary action and provide prompt notification to the Judge Advocate General. The commencement of a civil action against an employee of the Navy for actions arising from the performance of official duties shall be reported in the same manner.

(b) *Steps upon commencement of civil action.* Upon receipt by the Judge Advocate General of notice from the Department of Justice or other source that a civil action involving the Navy has been initiated under the civil action provisions of the Federal Tort
